1 Students w/> 30 transfer credits may be able to substitute ENC 1101 & ENC 1102 with:
1) ENC 2304 and 2) then one of the following: ENC 3213, ENC 3249, ENC 3311 or ENC 3314.
2 Students w/> 30 transfer credits may be able to substitute SLS 1501 & EGN 1002 with an advisor approved 3-credit concentration elecive.
3 Prerequisite: MAC 1105 + MAC 1147 or (MAC 1114 + MAC 1140).
4 Prerequisite: Second year high school algebra or MAC 1105 College Algebra.
5 Students who transfer in a UCC Art (that is not Public Speaking) can replace one 3-credit concentration elective with EPC 2608 - Public Speaking.
6 Students are required to complete at least 100 credits towards engineering degree, including ECE core courses and Computer Engineering Program Core before EFL 4920 registration.
7 EEL 4920 & EFL 4921C shall be taken during the student’s last two semesters prior to graduation. EFL 4921C shall be registered the semester right after taking EFL 4920, including Summer terms.
8 Satisfies CIVICS LEARNING (CL) requirement.
9 Students entering FIU in Fall 2020 or later.
10 Students who are unsuccessful in passing common prerequisites after two attempts will be advised to change their major into an area where they can be successful. Drops after the add/drop period, which result in a DR grade, are considered an attempt in the course and count as an unsuccessful enrollment.

*Starting in Fall 2010 Freshman and Transfer Students will have to complete 6 credit hours (2 classes) that will satisfy the Global Learning Requirement.

NOTE: Any student found to be taking any course without its prerequisite or co-requisite will be dropped from the course without a refund.
