

March 30, 2023

Ahmed Ibrahim
Electrical and Computer Engineering
College of Engineering and Computing
Florida International University

Dear Professor Ibrahim,

I am pleased to notify you that you were nominated by your College and have been selected to be honored as an FIU Top Scholar awardee for the academic year 2022-2023. The recognition for your Research and Creative Activities is in the category of Junior Faculty with Significant Grants (STEM). I congratulate you on your work in the areas of wireless communication and the development and testing of wireless technologies, and in developing a cellular testbed for evaluating the security of mobile systems.

A breakfast honoring the 2022-2023 Top Scholar recipients will be held on May 11, 2023, at the Parkview Multipurpose Room (PVH 100) on MMC from 9:30 am-11:30 am. Please RSVP by April 25 by completing a survey using this [link](#).

Thank you again for your outstanding work and scholarly contributions.

Congratulations!

Elizabeth Bejar, PhD
Provost, Executive Vice President and COO

C: Heather Russell, Vice Provost of Faculty Leadership and Success
John Volakis, Dean, College of Engineering and Computing
Anthony J. McGoron, Associate Dean, College of Engineering and Computing
Deidra R. Hodges, Chair, Electrical and Computer Engineering
