MD TAUHIDUR RAHMAN
Florida International University
Miami, FL 33199

Title: National Microelectronic Security Training (MEST) Center
Agency: University of Florida
Amount: \$100,000.00
Processed Date: February 5, 2024
Project No: 800018731
Award: AWD000000016141

Dear Professor MD TAUHIDUR RAHMAN:

Congratulations on the receipt of the award referenced above. On behalf of the University, I want to thank you for the important scholarly contributions you continue to make to your research field and to the progress of research and graduate education at FIU.

Please let me know if there is anything that the Office of Research & Economic Development can do to assist your success in carrying out this project.

Sincerely,

Andres G. Gil, PhD
Vice President of Research & Economic Development and
Dean of the University Graduate School
