

EEL 4410 – Introduction to Fields and Waves
Department of Electrical & Computer Engineering
Florida International University
Spring, 2024

Revamped
Course!

Classroom

EC 2840

Class Time

Tue. & Thu. 11:00 am - 12:15 pm

Faculty

Dr. Constantinos Zekios

Identify,
Formulate, Solve
EM Problems

Active
Learning

Exciting Projects
& Assignments

Conduct
Experiments

Understand Our
World

Be trained on
State-of-the-Art
Simulation Software

FEKO
Comprehensive Electromagnetic Solutions

MATLAB

Ansys

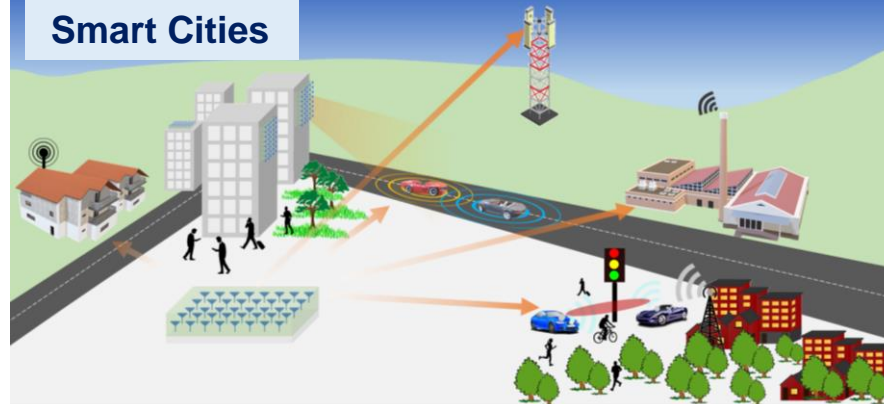

HFSS

Advanced
Design System

Get a Glimpse Into the Wide Range of
Applications for Electromagnetics Within Our
Modern Technological Society

Smart Cities

Next-Generation Applications

AR/VR

Hologram

Communications
