Title: AI/ML development for TCAP to support Savannah River Site
Agency: Battelle Savannah River Alliance LLC
Amount: \$75,000.00
Processed Date: December 21, 2023
Project No: 800017839
Award: AWD000000015376

Dear Professor Himanshu Upadhyay:

Congratulations on the receipt of the award referenced above. On behalf of the University, I want to thank you for the important scholarly contributions you continue to make to your research field and to the progress of research and graduate education at FIU.

Please let me know if there is anything that the Office of Research & Economic Development can do to assist your success in carrying out this project.

Sincerely,

Andres G. Gil, PhD
Vice President of Research & Economic Development and
Dean of the University Graduate School
