

BOISE STATE UNIVERSITY

Boise State University is currently searching for a pair of tenure-track faculty positions in our [Department of Electrical and Computer Engineering](#).

We are hiring two positions at either the Assistant or Associate Professor rank. Preferred area of expertise in:

- Controls
- Electromagnetics
- Signal processing
- Power
- Communications

We are reaching out in hopes that you might be willing to share this open opportunity with your graduate students, and alumni who might be a good match. More details about the position and application instructions can be found here:

[Assistant or Associate Professor of Electrical and Computer Engineering](#)

Applications for this position will be reviewed beginning on November 1, 2025, and the intended start date is the fall of 2026.

We sincerely appreciate any assistance you can provide in getting this opportunity in front of your students. If you have any questions or require further assistance, please do not hesitate to contact me at kristenmartin@boisestate.edu.

Thank you for your time and consideration.

Kristen
